

The Art of Bronchoscopy

8 Basic Principles

- 1. The bronchoscope wants to do the bronchoscopy***
- 2. Stay in the midline
(Get off the wall).***
- 3. Moderation in everything;
slow down, think, act.***
- 4. If you don't know where you are
you probably shouldn't be there***
- 5. Force is wrong. Return to what you
know; then move on and grow.***
- 6. Slow down to finish faster.***
- 7. Treasure basic values: peace,
harmony and kindness***
- 8. You and the bronchoscope are one***
